Are you interested in becoming a Block Steward?

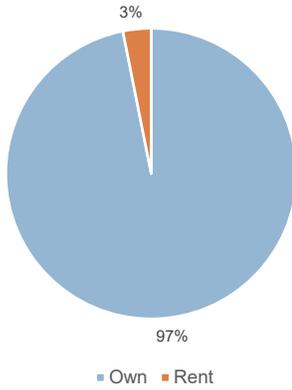

Would you like to be more involved in the WNA?

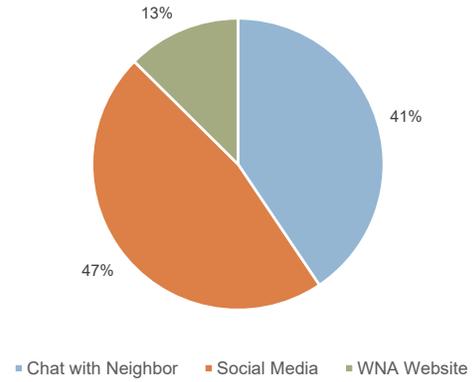

How many years have you lived in Warfleigh?

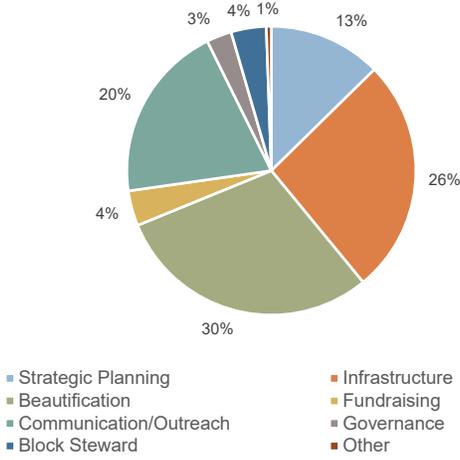

Do you own or rent?

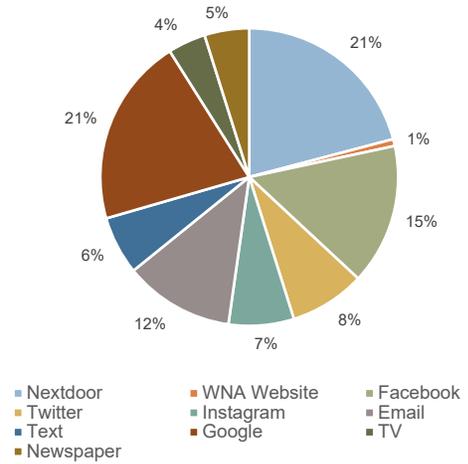

How do you learn about neighborhood events?

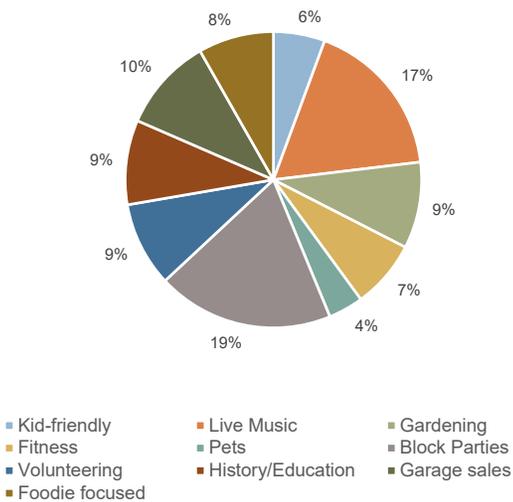

Which areas are most important to you?

Where do you turn for news?

What Types of Events should the WNA plan?

Location! It's close to all the things.
location, age--old houses and trees, limited traffic considering how central the location is---kinda hidden while adjacent to main
Location, quiet, great neighbors, access to nature
Location, trees
Love the location, and the friendly, welcoming neighbors
Low key. Nice mix of young and old
Mature trees, walkability, river, canal, family friendly
Mostly a quiet neighborhood with nice residents
Nature
Neighborhood feel, walkability to many businesses and attractions
Neighbors. The walkability and accessibility. That the houses all have their own personalities.
New to the neighborhood and everyone seems very friendly but not smothering. It does not seem like a "Keeping up with the
No businesses, quiet, walkability, beautiful, nature, good neighbors
Peaceful, yet active & lively neighborhood.
Perfect location. Walkability. Access to the river. Large, mature trees. Good neighbors.
Proximity to amenities is great.
Proximity to Broad Ripple, walking distance to a lot of amenities such as groceries, close to fitness trails such as the Canal +
Proximity to trails and nature
Quiet, with access to nature -and- food/entertainment
River on the north, canal on the south. Nice places to walk to, minimizes through traffic, and creates a nice neighborhood identity.
River, walking, pets, proximity to about everything
Safe and friendly
Street ends in water both ways
That we are are a quiet green space locked in on 4 sides by 2 bodies of water & 2 main roads & separate from Broad Ripple.
The beautiful gardens so many houses have all summer
The friendliness of the people and access to local shops, restaurants and nature.
The levee, canal path and having br restaurants and monon nearby
The location
The neighbors on my street the houses and non cookie cutter feel being in walking distance to b ripple and the 56th & Illinois
The overall location. Close to everything but also tucked away enough from the craziness of Broadripple
The people
The people and the location
The people are very friendly and welcoming
The proximity and walkability to shops and dining
The quiet and the people
The River!!
The river and close proximity to multiple parks.
The river walk
The uniqueness of the neighborhood and the location
The walkability and the close proximity to the river.
The walkability of it. Friendly neighbors.
Too many to list but I was willing to move away recently because of lack of a good school! Luckily our child did get in to a good
Tough to say just one. Love awesome friendly neighbors. Love walkable proximity to almost everything one needs.
Trees and well kept houses
True hometown small neighborhood with great location and access
Very walkable neighborhood. Close to restaurants, etc. We have lived here for 40+ years and we're very active at one time. We
I love the walkable areas it provides. I enjoy the levee and having close access to the white river. The people are friendly and I feel
is a safe neighborhood. The sidewalks are absolutely horrible. They badly need to be repaired. They are a safety hazard to
anyone walking.
Walkability (x4)
Walkability and access to BR amd bike paths
Walkability and convenience to goods and services. Short walk to three great parks and one small one.
Walkability and meeting friendly neighbors on walks
Walkability, beautiful trees
Walkability, proximity to bars, water, and parks.

Walkability, proximity to BR, & the River

Walkability, trees, laid back atmosphere

Walkability to dining, shopping

Walkable to many things

Walkable to things but still quiet where we live. Love mature trees.

Walkability, proximity to nature

Walk ability and closeness to nature.

Wildlife

From other survey questions:

Make us environmentally A+

I am slowly learning that there is a sort of association but so ignorant to the difference between the WNA and the BRVA

All of this sounds wonderful! I went to my first block party this year and it was so nice to see all the familiar faces.

Flood Insurance Advocacy / Lobbying

None

Honestly, I love the neighborhood but am not looking to the association to organize events.

Booksale

Also, we get our news nationally and internationally from all over the place!
