

PUBLIC OPEN HOUSE: SD-22-100 Meridian Street Drainage Improvements

Monday, Sept. 19, 2022 | 6 - 7:30 p.m.

**Second Presbyterian Church, Community Room, 7700 North
Meridian Street, Indianapolis, IN 46260**

Greetings! Join staff from Indy DPW on Monday, Sept. 19, from 6-7:30 p.m., for updates about the planned drainage improvements and road rehabilitation for Meridian Street from White River to 96th Street in 2023.

Indy DPW plans to invest approximately \$6.7 million in drainage improvements and structural road rehabilitation on Meridian Street between 64th and 96th Streets. Drainage work will include cleaning culverts along with replacing vulnerable or failed culverts where needed, and road improvements will include creating consistent lane widths and adding traffic signals at select intersections.

This meeting will be a follow-up to our June meeting, as the project moves toward November 2022 bidding. There will be a short presentation at 6 p.m. followed by an opportunity to ask questions with Indy DPW staff. Learn more at indy.gov/activity/major-transportation-projects, Street Improvements, Future Projects.

The entrance is located on the north side of the church next to the food pantry; look for the wooden double doors.

All Indy DPW meeting locations are accessible to persons with disabilities.
For questions or special accommodations, contact Lane.Wolf@indy.gov or 317-954-3558.
